

TROPICANA DOME FOOD SERVICE

We do not have an advance menu for the food service items at the Tropicana Dome. However, based on our past experience with the highly professional staff of the Tropicana Dome, we are certain that there will be a wide variety of well-prepared food service and related items available for purchase at the various concession areas inside of the Dome. Item prices are typical of what you might expect to pay if you attended a sports event at this location.

Again, from our past experience, we suggest that if you plan to purchase food items at the Tropicana Dome, that you do so well before the end of the contest. The Food Service areas tend to close early in preparation for clean-up, and some items may sell out before the end of the day.

Food Service Concession Sales at the Tropicana Dome are managed solely by the Staff and Administration of the Tropicana Dome. Item pricing, food safety, hours of operation, profit from food and concession sales, line cueing, and all other items related to food service concessions at the Tropicana Dome are under the sole control of the Tropicana Dome Management and their assignees.
